Dear [REDACTED]

In accordance with the arrangement made during our conversation of 18 July, I am attaching a list of intelligence items to which the members of the Vietnam Summer Study Group have been given access. You requested this list so that you could pass it to the personnel at CIA who will be discussing details concerning infiltration of supplies and men from North Vietnam to South Vietnam and the effects of bombing of North Vietnam. This list can be used to avoid duplication between DIA and CIA of the written intelligence items made available to the Vietnam Summer Study group.

Sincerely yours,

Marshall E. Sanders  
Colonel, USAF  
Chief, Special Projects Division  
Policy Planning Staff
